WHO WE ARE

INTRODUCTION

ESM are an international sports management company governing all sports provision in schools and ensuring delivery of programs are at a level of quality expected from the developed international norms.

Through a combination of internally delivered sports and activities and externally governed providers, ESM sit as a premium sports coaching service which meets high standards expected from international and Emirati parents.

DELTA deliver an exciting instructional programme which deepens academic learning but is imbued with real-world relevance and practical application. We aim to offer opportunity and excellence. Through this approach, we believe we offer the future of education. We believe that among our students are future Olympians, Nobel prize winners, World Leaders and Industry Pioneers. Although we actively seek to identify and nurture exceptional talent, our programmes strive to set all of our students on a lifelong journey of excitement, fulfilment, learning and self-discovery.

At DELTA Learning, we provide all our students the opportunities to discover and develop their strengths, and the world-class instruction to help them become the best version of themselves that they can be.
