

Parent Undertaking for Students using Bus Service during COVID-19

I, _____, parent of _____ ID No. _____
studying in Grade / Year _____ in _____ School, understand that as a
security and safety measure for my child, it is mandatory for me to ensure:

- That I have read, understood, and will ensure that my child will observe the Student Bus Behaviour Code.
- That my child adheres to the PPE protocol (wearing face masks) during the bus journey.
- I will adhere to the regulatory protocol if their temperature is equal or above 37.5°C or my child is symptomatic.
- I have complete responsibility to return my child home from the bus if a secondary temperature check in the bus shows a reading of 37.5°C or above.
- I will ensure that no food or fluids (excluding water) are consumed during the bus journey.
- I will ensure that my child follows the allocated seating plan, and they remain seated with their seatbelt secured throughout the bus journey.
- I will provide the school with information on any overseas travel involving my child or an immediate family member or in case of contact with symptomatic person(s).
- I will ensure my child adheres to the bus boarding protocol, maintains social distancing at the designated boarding points, and boards the bus only when instructed by the Bus Guardian.
- I will ensure that my child carries the RFID card to be scanned while boarding and getting off the bus.

I understand that School Transport Services LLC (STS) is not responsible for any fines imposed by the regulatory bodies for non-adherence to the safety protocols by my child. I further undertake to indemnify STS, the School, or any of its affiliates, employees, directors, etc. from and against any and all claims, losses, and liability for damages arising from such circumstances.
