1 Introduction

- 1.1 Jumeirah Primary School follows the Early Years Foundation Stage Curriculum for children in the Foundation Stage and the National Curriculum for England for children in Years 1 to 6. It provides an ideal primary education for children who might continue in British schools in the UK or anywhere else in the world. JPS is a truly international school and doesn't discriminate based on nationality, country of origin, religion or race.
- 1.2 Parents should satisfy themselves that this is an appropriate curriculum and educational model prior to making an application.
- 1.3 GEMS management oversees the Admissions Policy of the school and ensures that it allows the school to maintain its mission and to prosper.

2 Eligibility

- 2.1 JPS has an inclusive and non-discriminatory Admissions Policy to ensure the ethos of the school is maintained.

- 2.2 Admissions to the Foundation Stage will be subject to a play-based assessment to determine the child's readiness for school. The assessment will focus on the child's personal, social and emotional development, their communication and language skills, and some consideration of their physical development.
- 2.3 JPS welcomes applications from Emirati families, whose placements are a priority. Emirati children applying for places in FS1 or FS2 will be assessed by the relevant Head of Foundation Stage to ensure their application is processed with full sensitivity to their needs and to optimise the chances of a successful placement. Follow-up nursery visits will be offered to provide further assessment information at the discretion of the Head of Year.
- 2.4 Admissions to Y1-6 will be subject to a review of the child's most recent school report and may include further additional assessments and/or an interview.
- 2.5 Our policy is to place children in age-related year groups (in accordance to KHDA date ranges) and we do not accelerate children into higher year groups and rarely are they displaced into lower year groups. ***Children who are transferring from schools following different curriculum may need to apply for different year groups and are advised to contact our Registrar for advice prior to completing their on-line registration.***
- 2.6 The curriculum is delivered in English and in all areas of the school English is used. Therefore, to fully access the curriculum at JPS, children are required to be fluent English speakers and be able to read and write in English at a good level for their age. If this is not the case on entry, JPS have provision in place to support children in accessing learning.
- 2.7 JPS has limited spaces for children with some specific learning difficulties or moderate special educational needs. It is essential that parents disclose all information regarding their child's individual needs to ensure adequate provision is planned to meet their child's needs. ***Failure to disclose relevant information at the time of application may result in a delay in provision.***
- 2.8 Admissions to Jumeirah Primary School can be made at any time although there may be cut-off dates during the year, which are determined by the KHDA.
